Prove it to yourself!

Pepsodent with **ORAL DETERGENT** brings

CLEAN MOUTH TASTE FOR HOURS

Some tooth pastes clean with soap...some with chalk ...but not Pepsodent! Because Pepsodent now cleans with exclusive **ORAL DETERGENT**, it even cleans where brush can't reach...your mouth stays coolest...breath freshest...teeth cleanest of any leading tooth paste. Prove it to yourself!

White or Chlorophyll—Pepsodent Cleans Teeth Cleanest

Make YOUR OWN test ...

1. Tomorrow morning brush your teeth with Pepsodent now with Oral Detergent. Note the clean mouth taste ... it lasts for hours.

2. Next day use your present tooth paste. Compare the taste hours later. Pepsodent's Oral Detergent makes the difference.

The lasting Clean Mouth Taste is proof that Pepsodent cleans teeth cleanest. That's because Pepsodent's exclusive Oral Detergent—a double action ingredient—combines Irim and I. M. F. to remove film and brighten teeth.

DIRECTOR'S NOTES

When Ms. Hunter and I were discussing plays best suited to our current circumstances, we were considering language-driven comedies (Noel Coward, Oscar Wilde, etc). Then Lois suggested radio plays, which are, of course, perfect! Our wonderful tech students loved the idea and immediately began educating themselves in the genre. The plays we've chosen give the actors a chance to incorporate accents and dialects, as well as embrace the large, melodramatic style of the late '40s and early '50's. I've had a lot of fun with these extraordinary and talented teens (I rarely use "teens" but couldn't resist the alliteration...) so please sit back, relax and enjoy their wonderful work! And remember... Pepsodent toothpaste is the family favorite! Buy Pepsodent toothpaste today!
